

ACCESSING YOUR MEDIA REMOTELY

You can use the media app to remotely access content on compatible network-attached storage (NAS) devices. Before following the instructions below, you must create a remote access account on your compatible NAS. See the user manual for your NAS for further details.

1. Tap on the **More** icon (ellipse) on the upper right and tap **Settings**.
2. Tap on **Remote access**.
3. Enter your remote access email address and password. Tap **Sign in**.
4. In the list of storage devices, select your NAS. You can access files on the NAS's *Public* folder.

To troubleshoot remote access issues:

- Verify that Remote Access is enabled on your NAS.
- Verify that your NAS has access to the Internet.
- Visit [LaCie support](#) or [Seagate support](#)
