

VIEWING MEDIA LIBRARIES

The Start Page gives you a quick view of the libraries and folders on your storage device and your mobile device.

1. Navigate between libraries by swiping your finger right to left and left to right.
2. To view all the contents of a library, tap on the arrow next to the library name. For example, tap on the arrow next to **Photos** to see all the pictures on your storage device.

3. Return to the Start Page by tapping on the home icon on the upper left corner.
